

Castle Belles

Castle Belles was formed in the Summer 2012 and consists of ladies from the local area meeting in Castle Caereinion every Tuesday evening. Elaine Buckland leads this group of ladies that love to sing and entertain. By doing this, they have raised nearly £20,000 for local charities. The Castle Belles sing songs from all genres, performing songs from the 1940's, country pop, theatre and even Bollywood. The ladies also bring their performances to life with vibrant outfits and dance routines, they really do know how to put on a show.

Not only do the Castle Belles do their own fundraising concerts, they also perform for local community groups and have the privilege of singing at weddings.
