

Montgomery Youth Theatre

Founded in 1983, MYT has offered a continuous programme of workshops, projects, productions and other opportunities to young people living in a largely rural area. Weekly workshops, are held on a termly basis throughout the year. These are professionally led, run concurrently, and targeted carefully at different age groups, from 9+ to 18+. Currently, these are junior (school years 5 and 6), intermediate (school years 7 and 8), and senior (school year 9 upwards).

Over the years, MYT has represented Wales in international festivals in Edinburgh and Liverpool, and represented Powys with a performance in the Millennium Dome in 2000. It has won an award for Excellence in Youth Work. It has undertaken three innovative exchange projects with Swedish groups. It has performed at Theatre Clwyd and at the National Theatre in London.

Anyone wanting further information about MYT should contact us at mytheatre@fsmail.net. Fees for participants are kept low, and can be reduced or waived in cases of financial need
